## VOLUNTEER OPPORTUNITIES

In place of an in-person Open House, OLLI at SBU is asking for your help to increase awareness about the OLLI at SBU Program and grow the membership!

Click the link below for a digital copy of the OLLI flyer that we hope you will share with family, friends and community members who you think will benefit joining OLLI at SBU

This flyer aims to explain what OLLI is and how the program enriches the lives of its members. The purpose of the flyer is to encourage prospective members to call the OLLI Office. When calling, folks will learn more about the program and can schedule specific times to visit the campus.

This flyer is available digitally and in print. If you are interested in picking up printed copies of the flyer, please email or call the main office to schedule a pickup.

In addition to handing out flyers, we are also seeking OLLI members to volunteer in the office to answer the phone calls and tour requests from prospective members. If you are interested in volunteering in the office, please click the link below and complete the doodle poll where you can select your volunteer timeslot.
