SURVEY

Hello Fellow OLLI Members,

Your Executive Council is in the process of planning for our return to campus in the fall. Part of that planning includes developing a recruitment program to increase our membership back to pre-Covid numbers. We need your help to do that. Your answers to the attached one-question "Why Did You Join OLLI" survey will give us the data we need to create a recruitment program that appeals to potential members. We have included five different choices plus an "other" option. Please rate them 1-5 in order of how important each choice was to you when you initially joined. Thanks so much for your help!
Looking forward to seeing everyone in the fall.

Ella Nyc, OLLI Executive Council President Elect
