

**Report of SVPHS
University Senate
November 4, 2019**

Renaissance School of Medicine

Received notification of 8 year reaccreditation from Liaison Committee for Medical Education (LCME) with minor monitoring

National Board scores saw an 8 point improvement

New method of interviewing is being explored, termed MMI, multiple mini-interviews

Threats: every NY metro area SoM offering free or no-debt tuition (NYU, Columbia, Winthrop, Cornell, Hofstra and Sinai likely to announce very soon – RSOM solution: increased need-based scholarships (e.g. matching funds for philanthropy, Dash with the Dean)

School of Dental Medicine

Global programs highlighted at recent SUNY-wide assessment, along with SOM

SHTM

Speech Language Pathology program launching

Masters in Health Administration transitioned to PPH, but nearly 70% of MPH and MHA are staff members, greatly reducing tuition revenue to the programs

Successful launch of Masters in Athletic Training program

Stony Brook University Hospital

Cancer Center moved to MART building today!

Open house for SBCH highly successful this last weekend

Move-in for SBCH/ICU services still on track for Nov 17th

Parking: new lot on R&D campus 250 parking spaces, with shuttle, 120 more spaces in HSC garage via valet, akin to 60 spaces in staff lot A, two sites being estimated for costs of ~2000 car garage on east campus
