

ADVANCED ENERGY 2012 ADDENDUM

TRACK A Session 2 – **Tom Johnson**, Alpha GeoScience will speak in place of Dr. Thomas Cochran

TRACK A Session 6 – **Dr. Andrew Pollard**, Queen's University will speak in place of Susan Marlin

TRACK B Session 7 – **Dr. Xiaohui Cui** also represents NYIT

TRACK C Session 2 – **Eric Stallings**, Xtreme Power will speak in place of Dr. Alan Gotcher

TRACK C Session 3 – **Sindhu Subramanian**, Electrovaya will Chair & is speaking in place of Dr. Rajshekar DasGupta

TRACK C Session 7 – **Philippe Boisvert**, Plug Power will speak in place of Andy Marsh

TRACK M Session 5 – **Dr. Scott Cline**, Petroleum Engineering will be speaking

TRACK K Session 5 – **Stephen Bird**, Clarkson University will speak in place of Dr. Kerop Janoyan

GE Power & Water

Paul Browning represents GE Power & Water

Networking Magazine Booth 117

Networking® Magazine, launched in 1991, the only monthly providing readers "who's who, what's what and who and what's green" in NY and around the world. The resource for decision makers, critical link between B2B and NFP worlds to advance corporate interests, vital causes and environmental sustainability; kept as a reference for months. www.NetworkingMagazineUSA.com

GT Power Systems Booth 328/428

GT Power Systems Inc, of New York and Mac Boring of New Jersey Are full Yanmar CHP Co generation distributors.

Yanmar CHP Systems reduce operating cost for residential and commercial applications.

Advance Energy Training Institute Table Top 28

The Advanced Energy Training Institute, part of Stony Brook University Corporate Education and Training (CET), is the training division of the Advanced Energy Research and Technology Center. Working with core partners and leaders in the clean energy economy, AETI is establishing a platform for skills, knowledge, and credentials necessary in this evolving area.
